

Registered General Nurse Full time

The Manor House Whickham is a residential care service providing a range of nursing, care and support services for our older residents, some of whom have dementia.

Our main priority for this job role is to find people with the right values, behaviours and attitudes that match our own. These are:

Individual Care is our Concern

- Our residents are at the heart of everything we do.
- Every one of us is responsible and will take ownership to make a real difference.
- We recognise we are all individuals and will treat people with respect and kindness.
- Together we make things better, always acting and communicating with honesty and transparency.
- We aim to be the best at everything we do.

We are currently seeking a Registered Nurse with the skills and experience necessary to uphold our values and provide clinical leadership on our nursing unit. You will be required to lead and supervise a team of care staff on each shift.

The Manor House Whickham

We offer comprehensive mentorship and support and access to a range of vocational qualifications to assist with CPD and revalidation requirements.

The duties are varied and no two days will be the same. Our residents are individuals and they all deserve to be treated as such.

The position will involve shift work which will include days, evenings and weekends, as per the rota pattern. Day shifts cover between the hours of 08.00hrs – 20.00hrs, night shift covers between 20.00hrs – 08.00hrs. We welcome enquiries from nurses looking for full or part time hours.

An Enhanced DBS check is required for this position. We pay for this. Other benefits include:

- Very competitive rates of pay
- Annual NMC registration fee paid
- Assistance with revalidation
- Free uniforms
- Complimentary tea / coffee / juice
- Subsidised meals
- Health Assured Independent Employee Support Scheme
- Free WIFI in staff room
- Paid training time
