

Crossley House

BRADFORD

'INDIVIDUAL CARE IS OUR CONCERN'

Crossley House

BRADFORD

About us

Crossley House, Bradford seeks to provide five star accommodation and care for its residents.

Most importantly, every resident is recognised as an individual and as such we guarantee to provide the highest standard of person centred care to every client. All of this in our beautiful purpose-built house which offers clients a unique level of comfort and luxury.

Accommodation

Crossley House offers a bright and spacious environment throughout the home. Clients rooms are amongst some of the largest

available from any care facility in the country and all have private en-suite facilities, some with showers, and range in size from a minimum of 16.5m² to 25m².

Gold Standard rooms offer additional features such as:

- Private front doors and garden
- Larger living space
- Suites with separate 'large bays'

Crossley House has many other special features such as a Hairdressing Salon, Music Room, Tea Room, Library Room, Dining Bistros, Activity areas and Internet access for all residents.

It also has its very own 'local' shop within the Home - 'The Crossley Square Shop', which is open daily and stocks everyday essentials and toiletries.

Social Life

Clients of Crossley House will be encouraged to enjoy a full and active range of social activities both within the home and the local community.

All staff will be focussed on encouraging clients to achieve an active and fulfilling social life.

About our care

Residential Care

In our Residential Suites, clients typically enjoy the kind of independence they desire whilst having the comfort of knowing 24 hour care is available to provide the help and support they may need at any time of the day.

Dementia Care

We recognise the special needs of people with dementia and other memory impairments, at all levels.

Our 'Chesters' accommodation has been specifically designed to provide such clients with surroundings that are homely, safe and stimulating.

Our staff at 'Chesters' are specially trained to help manage the unique needs of residents suffering from varying degrees of dementia and at all times ensuring our care delivery remains person centred.
