‘INDIVIDUAL CARE IS OUR CONCERN’

Sunnyview House

LEEDS

Sunnyview House at Leeds seeks to provide five star accommodation and care for its residents.

Most importantly, every resident is recognised as an individual and as such we guarantee to provide the highest standard of person centred care to every client.

This beautiful purpose-built house offers clients a unique level of comfort and luxury and includes all the following features:

- A beautifully spacious and well appointed interior, helping to create a feeling of luxuriousness within a homely and domestic setting
- All clients enjoy very spacious private rooms with en-suite facilities
- Premium accommodation with private front door and garden area
- Social 'hub' areas where refreshments are available for residents and visitors to enjoy at their convenience
- Internet access for all residents, including internet corner
- Private shopping
- Hairdressing and beauty salon
- Dining/Bistros with varied daily menu choices
- Residents sweet shop
- Residents cinema and bar
- Residents café
- Wellness/physiotherapy suite
- Large landscaped gardens with private seating areas, water features, greenhouse and raised planting areas for residents' use and enjoyment

All the above facilities are further enhanced when incorporated in our resident focused social events programme.

Complete Care

Residential Care

In our Residential Suites, clients typically enjoy the kind of independence they desire whilst having the comfort of knowing 24 hour care is available to provide the help and support they may need at any time of the day.

Nursing Care

In our 'Roundhay' Nursing Suite, clients will enjoy the benefit of qualified nurses being on hand 24 hours a day whilst also enjoying the comfort of living in a non-instituted and luxuriously appointed homely environment.

Dementia Care

We recognise the special needs of people with dementia and other memory impairments, at all levels.

Our 'Chesters' accommodation has been specifically designed to provide such clients with surroundings that are homely, safe and stimulating.

Our staff at 'Chesters' are specially trained to help manage the unique needs of residents suffering from varying degrees of dementia and at all times ensuring our care delivery remains person centred.
