THE MANOR HOUSE WHICKHAM

Introducing our new luxury residential
Ravenworth Suite
with panoramic Tyne Valley views

Now welcoming new Residents for both long
and short stays

In addition to the opening of our Ravensworth Suite, we are delighted to be carrying out a full and comprehensive refurbishment throughout the rest of our Home.

This will enable us to continue to provide exceptional care within the luxurious and homely environment at The Manor House Whickham.

Everything we do is to ensure that our Residents enjoy living with us and have a great quality of life. Our aim is for Residents to feel independent and fulfilled.

Our luxury accommodation is superior in many ways but, most importantly, we have an experienced and first-class team to deliver an exceptional standard of individualised care and support for anyone who chooses to make The Manor House Whickham their new home.

Don't take our word for it, take a look at what our Residents, their families and friends are saying about us:

- "All of the staff are exceptional, welcoming, caring, attentive, patient, and respectful to residents and visitors"
- "An excellent care home that cares for residents' wellbeing and needs with love, care and respect"
- "The cleanliness and facilities are outstanding"
- "The building and grounds are immaculate, but it is the level of care which makes The Manor House outstanding" *
