

SPANISH EVENING At The Manor House Whickham

Residents, families and friends got together recently at The Manor House Whickham for a great Spanish Evening, with sangria, tapas, games and lots of fun and laughter.

Tables were set with colourful decorations, delicious food was served, cool and fruity sangria was available throughout the evening and the donkey pinata games caused lots of laughter and merriment.

Jane Tworkowski, Home Manager, said "the whole evening was just the best fun. Even a week later, everyone is still talking about what a great night they had. We are now planning which Country we can go to with the next special evening".
