Complete Care

We are passionate about our commitment to excellence and as such our aim is to provide personalised and compassionate care to every client.

Residential Care

The **Grange** and **Derwent** Suites are designed for clients to enjoy their own private accommodation within small living groups allowing residents to maintain independence whilst at the same time ensuring 24 hour personal care is available and at hand when needed. Residents enjoy their own dining bistro, cafe and shop as well as access to a private cinema, ballroom and bar area.

Nursing Care

The **Fellside** Suite is specifically designed for those clients who need the support and assistance of 24 hour nursing care.

Residents accommodation remains luxuriously appointed and homely but has the necessary design features to ensure appropriate nursing care can be delivered as and when required.

Dementia Care

We recognise the special needs of people with dementia and other memory impairments.

Our single storey **Chesters** accommodation has been specifically designed to provide clients with surroundings that are homely, safe and stimulating.

Our staff at **Chesters** are specially trained to help manage the unique needs of residents suffering from varying degrees of dementia and at all times ensuring our care delivery remains personalised.
